

# Adverse Childhood Experiences (ACE's) Training

- **When:** Thursday, November 8, 2018
- **Time:** 6:00-8:00pm
- **Location:** The Guidance Center  
500 Limit Street, Leavenworth
- **Cost:** Training is FREE.. RSVP Requested  
Email [LvCAPC@gmail.com](mailto:LvCAPC@gmail.com)

**Program description:** This two-hour workshop details how early childhood experiences affect brain development and how this influences how we perceive and interact with the world as adults. The findings and implications of the Adverse Childhood Experiences (ACE) study as it relates to trauma-informed practice will be reviewed and a simple strategy to use when working with others impacted by ACEs will be identified.

**Presented By:** Tracie Lansing, MSW & Leavenworth County  
Child Abuse Prevention Council
