Horse Identification Certificate

This identification must be submitted or updated to the county or district agent by May 1 of the current year to qualify this animal for district and state shows. The original ID form and picture must be kept by the 4-H'ers and be presented at the District Show and be available at State Fair check-in. A copy can be kept in the county office. No forms will be sent to the State 4-H Office. Most shows (including district and state) require this ID to be presented at check-in. Horses identified after May 1 or horses without proper ID certificates cannot show. Siblings may share a project horse. Please attach a standard-size picture on the back right-hand corner.

Leasing — The leasing option is intended for youth who do not have access to family-owned horses or who want to expand their participation in the 4-H horse project.
  • A horse that is leased must be identified through the county or district extension office on or before May 1.
  • If a 4-H member identifies a family-owned horse, 1 additional horse may be leased and identified.
  • Youth must manage the leased horse at least 75 percent of the time from May 1 through September 30.
  • Members are expected to start their records on October 1, or as soon as the horse is leased on or before May 1.
  • If a 4-H member leases his or her project horse to another 4-H member, the lessee forfeits the right to exhibit the horse at 4-H shows during the year.

Sharing project horses — Siblings and stepsiblings:
  • The names of all siblings who intend to show the horse must be listed on the 4-H Horse Identification submitted on or before May 1.
  • Youth may exhibit the same horse; however the horse cannot participate in the same class in the same age division more than once at a given show.
  • Youth can be in same age division, but will have to participate in different classes.
  • Youth must share management of the horse.
